### DETAILED ACTION

1. Applicant's arguments filed 10/13/04 have been fully considered but they are not persuasive. The 102 and 103 rejection in the first Office action follow.

#### ***Claim Rejections - 35 USC § 102***

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 1, 2, 4, 5 and 16-19 are rejected under 35 U.S.C. 102(e) as being anticipated by Brunelle.

The Applicant is referred to the description of Brunelle in the first Office action.

The Applicant has argued that in Brunelle's game, it requires only the bonus ante and a player's hand count total of less than 9. Brunelle's hand count total of less than 9 is not a "predetermined winning arrangement of cards" as recited in claim 1. The Examiner takes the position that claim 1 does not specify any specific card game (e.g. poker), and therefore the term "predetermined winning arrangement of cards" may be **broadly interpreted** as any arrangement of cards. In Brunelle's game any arrangement of cards totaling a hand count of less than 9, e.g. (2, 2, 4), (A, 3, 2), etc., may be considered a predetermined winning arrangement of cards.

The Applicant has also argued that Brunelle also includes a dealer's hand, while claim 1 does not recite a dealer's hand. The Examiner agrees with the Applicant that claim 1 does not recite a dealer's hand, however, claim 1 is broad and does not preclude a dealer's hand. Also, claim 9 recites a dealer's hand.

***Claim Rejections - 35 USC § 103***

4. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

5. Claims 3, 6-15 and 20 are rejected under 35 U.S.C. 103(a) as being unpatentable over Brunelle as applied to claim 1 above, and further in view of Jones.

The Applicant is referred to the Jones teaching in the first Office action.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

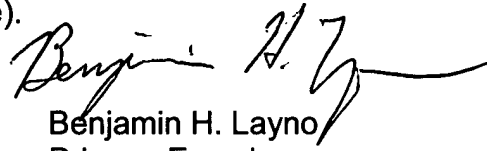

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
